Dear Sirs:

I have your favour of the 1st inst. and beg to say that I have of late made too many extravagant purchases of coins and do not feel free to take part in the approaching sale. I am glad however to have your catalogue. I shall take up the matter of your earlier letter, with the coins you sent me, as soon as I can.

Yours very truly,

Robert Garrett

Dear Sirs:--

I enclose herewith my cheque covering one-half of your bill of June 1st, and also one-half of the price of the Confederate cent which you sent me on June 6th. I do not care to take the electrotype shells of the medal of Jefferson Davis. I return them to you herewith.

Apparently you do not charge me with the "store cards" issued by Lovett in 1860. Please let me know how much these cost and I will either send you a cheque for them or return them to you if I decide that I do not want them.

I shall send you a cheque for the other half of the amount owing you as soon as possible after my return to Baltimore.

Please do not send me any further coins as I shall add nothing more to the collection for the present.

Very truly yours,

Robert Garrett

Kindly return enclosed letter and itemized bill herein.

Dear Sirs:--

I have your letter of the 25th inst. and beg to say in reply that I thank you very much for the medalette of Jefferson Davis, and also for the store cards of Lovett.

I cannot give you any definite answer concerning the work of cataloguing the collection of coins in Princeton. I shall be very much occupied at home during September and October and I doubt very much if it will be possible for me even to make a hurried visit to Princeton during those months. If I should go there, however, I shall try to communicate with you, asking if you can join me there. Otherwise, I shall not be able to see you until about the middle of November.

Yours very truly,

Robert Garrett
